To Mr. Alan Cranston;

Mr. Cranston, I Am writting this letter regarding [redacted] nurse about E 136
in South America. It all started when he went to South America in march of this year, him + about a thousand other young men + women following this man by the name of Sun Young, who has them believing that he is god in flesh.

Gregory is 22 yrs of age + I realize that he is a full grown man, who can do as he pleases, my concern is to ask you, if you would please help me find out if he is being held against his will which, my self + a lot of other parents feel that they are, and that they are being treated as slaves, Gregory has been gone (9 months) + I have received a letter from him which all say practilly the same thing, he never answers any of the question that I ask him, it appears as though he is being told what to say + what not to say.

I have also heard that this Sun Young has these people working in fields, till starving to death, + if one dies they simply dig a hole + bury them.

I understand that there is a United States Ambassador there who can find out what

is going on. Would you please contact him for me and let me know if Gregory is alright + if he wants to come home. Are let me know what is I should do.

I'm sending a photo of [redacted] E 136 his ~~He~~ name is Gregory [redacted] Watkins

Age: 22
Ht: 5"7
Weight. between 165 + 170 when I last seen him.
Hair Br.
Nationality - Blk.

This man by the name of Jim Jones was having his meetings down town S.F. on Alcerado at that Pg. temple. When you would enter the church women + men had to leave there wallets + purses in front before entering the Church. I tried to tell Greg that something was wrong but he wouldn't listen.

When they all left San Francisco Jim Jones told them they were going to New York, but instead put them on a ship + to South America to they went.

They all have the same address yet Greg tells me what a nice home he has & how much he enjoys staying there I just don't believe it. Please let me know as soon as possible what is going on. Thank you very much
